An electrical storm, accompanied by rain, hail and high winds, unrooted trees, cut off electricity to about 400 homes and caused other damage last night in a South St. Louis area between Grand boulevard, Michigan avenue, Bates and Fillmore streets. Above, a tree that fell on the automobile of Bob Madden, 5601 Colorado avenue. At right, a tree that fell at 995 Dover place, tearing up sidewalk and a driveway and blocking traffic at the intersection of Dover place and Louisiana avenue.
